## 5th – 13th July 2014

# WORLD ORIENTEERING CHAMPIONSHIPS

# WORLD TRAIL ORIENTEERING CHAMPIONSHIPS

*Dear Orienteering Friends,*

*I am pleased to welcome competitors, team leaders, officials and guest to the World Orienteering Championship and World Trail Orienteering Championship in Italy.*

*Italy is going to be the WOC and WTOC hosting country for the first time*

*Both Championships will be held in two different important Italian regions: Trentino and Veneto..*

*Orienteering began in our country more than 30 years ago. I began to practice Orienteering from the beginning and I'm proud to be now President of the Italian Federation and host you competing in our beautiful forests of Lavarone and Asiago Highlands, eating typical Italian food and visiting historical centre like Trento and Venice.*

*I wish You high motivation in your training for 2014 World Orienteering Championships and World Trail Orienteering Championships in Italy.*

*Sergio Grifoni - President of Italian Orienteering Federation*

*It is with great pleasure and immense honour that I have the opportunity to welcome orienteers from all over the world, especially those attending the World Championships in Italy.*

*I am sure that the areas selected will offer a picture of outstanding natural beauty, spectacular arenas and some of the most beautiful mountains in Italy. The technical terrain and the added value offered by Venice will satisfy the most demanding expectations.*

*This will be a great sporting event and an opportunity to show the Orienteering world, once again, that Italy can organize events with great professionalism, using all our best resources.*

*Thanks to all those who have wanted these World Championships and are supporting this event and to all those people that will choose to be with us and enjoy this magnificent spectacle.*

*Best regards to all*

*Gianpietro Mazzeni – Organizing Committee Chairman*
